LREMC SCHOLARSHIP PROGRAM

Putting Energy Into Education

Scholarship Program for Cooperative Members

As part of Lumbee River EMC's commitment to our community, we are pleased to offer scholarships to area students who want to further their education.

Lumbee River EMC established a scholarship program more than 30 years ago out of desire to help students who otherwise might not have the opportunity to continue their education. Since the program began, Lumbee River EMC has provided educational funds for students attending North Carolina State University, The University of North Carolina at Wilmington, East Carolina University, NC A&T, Wingate, The University of North Carolina at Pembroke and many more.

We are committed to the people we serve and their families, and we are honored to be able to invest in the education and development of future leaders, as well as assist "non-traditional" students with their dream of returning to school to further their education. We have high expectations for your success in the future.

Available Scholarships

The **Lucy Smith, John S. O'Briant, Thomas Wade Bethea** and **Elias Rogers** scholarships are for students planning to attend a four-year college or university. Each scholarship is valued at \$8,000.

The **J. W. Hunt** scholarship is designated for students planning to attend a four-year college or university with preferential consideration given to those students pursuing an agri-business curriculum. This scholarship is also valued at \$8,000 and requires interested students to complete the AGRI-BUSINESS SCHOLARSHIP APPLICATION

The **J. McN. Gillis** scholarship is for an individual planning to attend a two-year college or technical school. This scholarship is valued at \$2,000 and is available for a graduating senior or a "non-traditional" student returning to school and pursue a two-year degree.

ABOUT US

Lumbee River EMC was founded in 1940 to provide electric service in Robeson, Scotland, Hoke and Cumberland counties. Today, Lumbee River Electric Membership Corporation is a non-profit member owned electric utility serving more than 56,000 members. In addition to providing electricity, we offer other value-added services that improve the quality of life in the communities we serve.
