

WEATHERIZATION REBATE

Program Guidelines:

1. Applicant must be member of record for an active account.
2. Rebates are available for residential members only.
3. Work must be completed by contractor.
4. Limit one rebate per measure, per account. Attic & Floor are considered to be two separate measures.
5. Heating source must be electric.
6. Home must be at least 5 years old.
7. Insulation in floor/crawl space must be R13 or less and upgraded to R19 or greater.
8. Insulation in ceiling/attic must be R19 or less and upgraded to R30 or greater.
9. Failure to provide required information may result in denial of rebate.
10. LREMC reserves the right to amend or discontinue this program without notice.
